

**2020 Fall ECN Benchmark Testing (FastBridge/MAP)**  
**(Full-Time ECN K-8 Remote Learners Only)**

- 1) According to the 2020-2021 ECN Remote Learning Guidelines, remote students will need to complete benchmark testing for the fall, winter, and spring.
  - a) *Fall, Winter, and Spring Benchmarking*
    - i) *Remote students will be required to come to the building to complete reading and math testing three times during the school year. This will take place in the big gym, where no one will be in during the school day. Students will need to complete their testing in FastBridge and NWEA/MAP to determine their progress in math and reading. The student data will be used to determine placement for the following school year if students complete remote learning for the entire school year.*
- 2) Fall testing will start next week and continue through Friday, October 2nd.
- 3) Testing will be completed in the big gym. Families will drop-off their students in the east parking lot and students will enter the big gym through the east doors. There will be nine cafeteria tables set up and socially distanced apart from each other. There will be two students per table, socially distanced apart from each other (18 students in the gym at the same time, along with three adults max -- 21 all together). Parents and Families will not be allowed in the gym or building during testing. Students will be wearing masks.
- 4) Students are responsible for bringing their Lenovo/ Chromebook and charger for testing. LAPTOPS SHOULD BE FULLY CHARGED BEFORE COMING TO THE GYM FOR TESTING.
- 5) **Below is a schedule that will be followed for testing. Parents will need to email or contact Mr. Blackert at the school for establishing a time for their child to complete testing. If the listed times do not work for families, please contact Mr. Blackert in order to make other arrangements.**
